

How to Register for a Course

- 1) Click LEARN then click COURSES to view the Course Catalog

The screenshot shows the Ruckus Wireless training website interface. At the top, there is a navigation bar with the Ruckus logo and the word 'training' in a yellow box. To the right of the logo are four buttons: 'LEARN' (highlighted in yellow), 'MY PROFILE', 'SHOPPING CART', and 'DASHBOARD'. Below the navigation bar is a sidebar with a list of menu items: 'Courses' (highlighted with a red box), 'Certification Programs', 'Calendar', 'My History', 'Search Courses', and 'Help'. The main content area displays a list of courses. The first course is 'HTML 5 Test' (Online e-Learning) with a 'View Info' button. The second course is 'WiSE Certification Bootcamp Partner Delivered' (Classroom Instruction Only (Online Course Unavailable)) with a 'View Info' button highlighted by a red box and a red arrow pointing to it from the 'Search Courses' menu item. The third course is 'WiSE Instructor Certification Test' (Online e-Learning) with a 'View Info' button. Red arrows also point from the 'LEARN' button to the 'Courses' menu item and from the 'Search Courses' menu item to the 'View Info' button of the second course.

- 2) Scroll through the courses to find the course you want. In this EXAMPLE we have used “WiSE Certification Bootcamp Partner Delivered”.
- 3) Click the VIEW INFO button to see the list of classes / events currently scheduled.

Course Information

WISE Certification Bootcamp Partner Delivered

Description

This course consists of classroom material and labs covering the installation, configuration, and management of ZoneDirector hardware and software.

This WISE Bootcamp course may be delivered by Ruckus Wireless Authorized Training Partner.

After selecting an event, please check the 'Classroom Information' for further details on costs and availability. The Partner will contact you to arrange payment.

If the event is marked as 'Invitation Only' please do not register for this class unless you have been invited. To register for an 'Invitation Only' event select 'Invited' on the Invitation Acknowledgement dropdown box and then click 'Submit for Registration'.

Objectives

Students will be taught the basics of configuring Ruckus Wireless Zone Directors and Access Points. On-line lecture material and lab exercises prepare the student for the WISE Certification Test.

Objectives:

- Describe the ZoneFlex WLAN system

7) You will receive an email with the class details in a few minutes

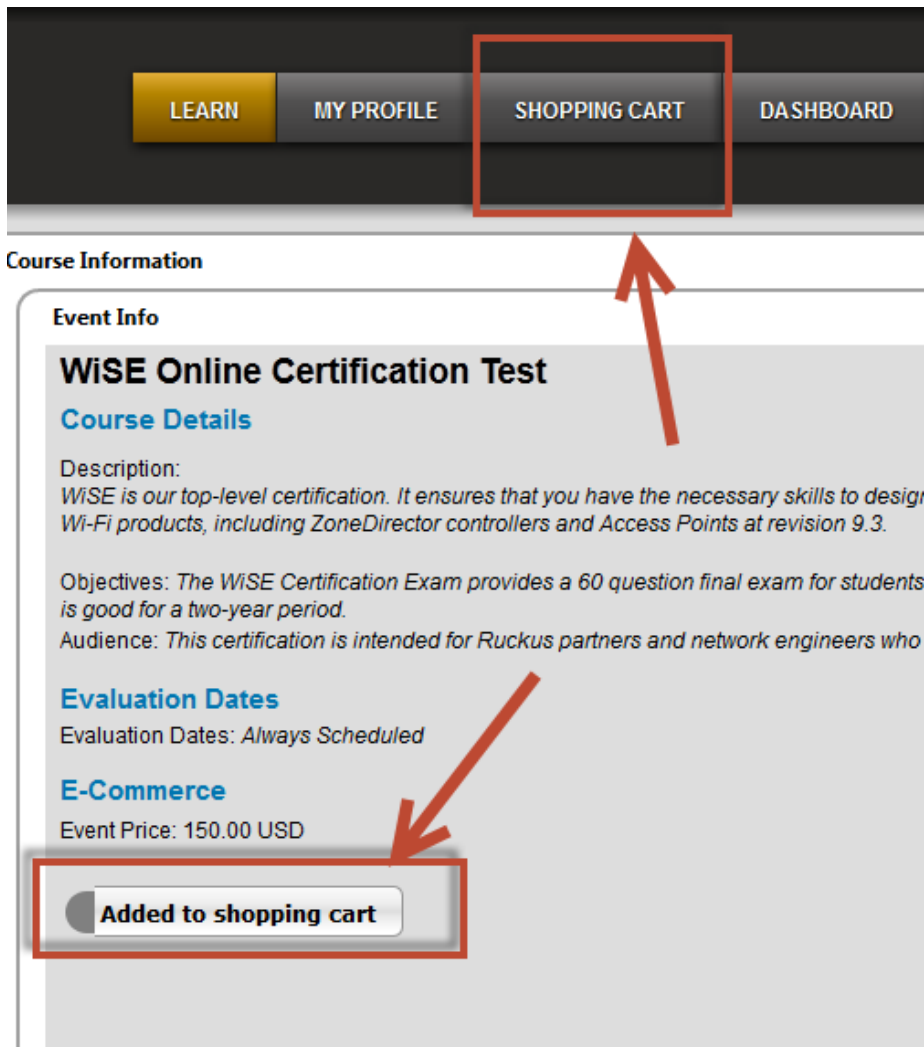

You are now registered for this class!

Some courses, such as our WiSE Certification Exam, have a cost. To register for these courses it is necessary to use a credit card to purchase them.

The screenshot shows a 'Course Information' window with a close button (X) in the top right corner. Inside the window, there is a sub-section titled 'Event Info' with its own close button (X). The main title is 'WiSE Online Certification Test'. To the right of the title is a 'Print' button. Below the title is a 'Course Details' section. The 'Description' states: 'WiSE is our top-level certification. It ensures that you have the necessary skills to design, deploy, manage, and support robust wireless networks consisting of a range of Ruckus smart Wi-Fi products, including ZoneDirector controllers and Access Points at revision 9.3.' The 'Objectives' are: 'The WiSE Certification Exam provides a 60 question final exam for students who have taken the WiSE Bootcamp training session. The passing score is 70%. WiSE Certification is good for a two-year period.' The 'Audience' is: 'This certification is intended for Ruckus partners and network engineers who manage ZoneDirector deployments.' Below this is an 'Evaluation Dates' section with the text 'Evaluation Dates: Always Scheduled'. Underneath is an 'E-Commerce' section with the text 'Event Price: 150.00 USD'. At the bottom left of the course details is an 'Add to cart' button, which is highlighted with a red rectangular box. A red arrow points from the right towards this button.

- 1) Click 'Add to Cart' to add this course to your shopping cart.

- 2) The button will change to 'Added to Shopping Cart'
- 3) To see your Shopping Cart, click on 'Shopping Cart' in the NAV bar.

4) To checkout click 'Checkout'
